

# Elementary and Middle School Mathematics Topics for Mathematics Coaches

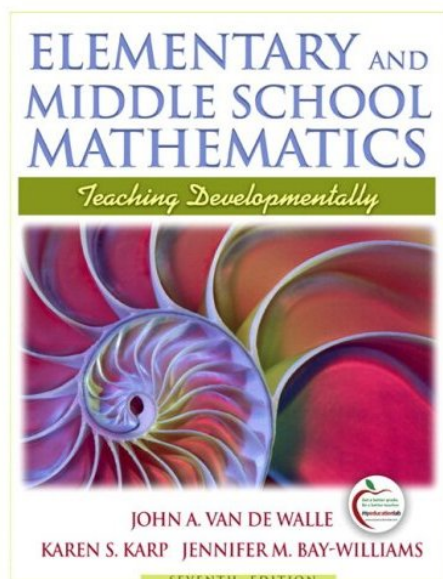

Thursday, November 5, 2009

8:00-11:00 AM

Short course registration fee (in addition to one-day or two-day registration for ACC)  
\$100.00

<http://cmase.uark.edu/ACC/ACC2009/index.html>

Dr. Jennifer M. Bay-Williams will lead this course on interesting and important topics from the 7th edition of Elementary and Middle School Mathematics: Teaching Developmentally.

Dr. Bay-Williams is an Associate Professor in the Department of Teaching and Learning in the College of Education at the University of Louisville. She is a noted author in mathematics education, including recent publication in *Teaching Children Mathematics* and the 69<sup>th</sup> NCTM Yearbook. She has co-authored two books for teachers on integrating literature and non-fiction into grades 6-8 mathematics.

The registration fee will include a one year membership to the National Council of Supervisors of Mathematics (NCSM) and a copy of the NCSM PRIME Leadership Framework.
