

A Is For Apple Book

Designed by: AccuCut Design Team

Key Concepts: Literature, Reading, Sounds, Vocabulary, Writing

Grades: Pre-K to 5

Description:

AccuCut's Book-Apple die set may be used for a number of language arts activities such as an alphabet book, a book about good nutrition or a book about things that are red.

Curriculum: Language Arts, Science

AccuCut® Dies Used:

[Book-Apple](#)
[\(2-Die Set\)](#)
[Block](#)
[Uppercase](#)
[Block](#)
[Uppercase](#)
[Block](#)
[Lowercase](#)

Other Materials Used:

Glue
Raffia
Cardstock -- Green, Brown, Red, Black

Tips:

This book is bound with raffia, however, you can also use different colored brads, string or Rollabind® discs--whatever you have on hand!

Instructions:

1. Using Red cardstock cut out a front and a back for your book. Then using the apple page die, cut out 6 white pages.
2. Out of Black cardstock cut a 2" block A, also cut upper and lower case 1 1/4" block letters.
3. Glue onto front of book.
4. Using Brown cardstock cut out a stem for the apple. Using Green cardstock cut out a leaf, adhere both to apple front page.
5. Line up pages inside book and punch 2 holes through the spine of the apple book.
6. Tie with raffia.
